

## REORGANIZED:

The well known Shipping House of Smith's Cash Store, Inc., reorganized October 22nd, 1900, with additional capital and facilities for handling export family trade. They are so well known to almost all English-speaking people, that it is unnecessary to do more than state that the same high grade service that has been rendered in the past by this reliable and responsible General Merchandise Store will be continued. Former customers, and new ones alike, are invited to write for price lists. Terms are invariably cash. Prices are the lowest that good goods can be supplied in a legitimate manner.

## A Bad Skin

Prick your skin with a needle. You will see it is full of blood, full all the time. But what kind of blood? Rich and pure? Or thin and impure? Pure blood makes the skin clear, smooth, healthy. Impure blood covers the skin with pimples, sores, boils, eczema, eruptions, tetter, salt-rheum.

Mr. Frank Hewett, of Kalamazoo, W. A., sends his photograph and tells what cured him. "When a boy my skin broke out in bad sores about my hands. After trying a great many remedies in vain, I took Ayer's Sarsaparilla and was quickly cured. Recently I was troubled again with severe boils, but one bottle of the same old remedy completely cured me. It's the greatest blood-purifying medicine in the world."

## AYER'S Sarsaparilla

There are many imitations "Sarsaparilla." Be sure you get Ayer's. Aid the Sarsaparilla by keeping your bowels in good condition with Ayer's Pills. Prepared by Dr. J. C. Ayer & Co., Lowell, Mass., U.S.A.

### DOOLEY ON BOOKS.

The Irish Philosopher Dilates on Litrachoor and Reading.

They say that man first begun writin' whin he had to hammer out his novels an' pomes on a piece iv rock, an' th' hammer has been th' imblim iv lithrachoor iver since. Thin he painted it on skins, hince th' publisher; thin he played it an' danced it an' croschayed it till 't was discovered that ink an' pa-aper w'u'd projoocce wurruds, an' thin the printin'-press was invented. Gunpowder was invented th' same time, an' 't is a question I've often heard discussed which has done more to ilivate th' human race. A joke.

Th' longer th' wurruld lasts th' more books does be comin' out. Day be day I r-read in th' pa-apers announcemints iv new publications that look like th' dilinguent tax-list. They's a publisher in iv'ry block, an' in thousands iv happy homes some wan is pluggin' away at th' romantic novel or whalin' out a pome on th' typewriter up-stairs. A fam'ly without an author is as contemptible as wan without a priest. Is Malachi nearsighted, peevish, averse to th' suds, an' can't tell whether th' three in th' front yard is blue or green? Make an author iv him! Does Miranda presint no attractions to th' young men iv th' neighborhood, does her overskirt dhrag, an' is she poor with th' gas range? Make an authoreen iv her! Fortunately, th' manly instinct is often too sthrong f'r th' designs iv the family, an' manny a man that if his parents had had their way might have been at this moment makin' artificial feet f'r a deformed pome is 'adin' what me fri'nd Hogan calls a glad, free, an' timperymintal life on th' back iv a shreet car.

But lithrachoor is th' gr-reat life wur-ruk iv th' modhren woman. Th' control is passin' into th' hands iv th' fair sect, an' th' day will come whin th' wurrud book will mane no more to an able-bodied man than th' wurrud gusset. Women write all th' romantic novels that ar-re anny good. That's because iv'ry man thinks th' thure hayroe is himself, an' iv'ry woman thinks he's James K. Hackett. A woman is sure a good, sthrong man ought to be able to kill anny number iv bad, weak men, but a man is always wondherin' what th' other la-ad w'u'd do. He might have th' punch left in him that w'u'd get th' money. A woman niver cares how manny men are kilt, but a man believes in fair play, an' he'd like to see th' polis inther here about Chapter Three.

Women writes all th' good romantic novels, an' read thim all. A woman's readin' is niver done. Hardly a day passes but some lady fri'nd iv mine stops me on me way to catch a car, an' asks me if I don't regard Morse Hewlett as th'

gr-reatest an' mos' homicidal writer iv our time, an' what I've got to say about Hinnelly's attack on Stevenson. "Madam," says I, "I w'u'dn't know Morse if I was to see him goin' down th' sthreet ax in hand, and as f'r Hinnelly, his name escapes me, though his language is familiar to anny wan who iver helped load a scow. Stevenson," I says, "does n't appeal to me, an' if he sh'u'd, I'll revarse th' decision on th' ground iv th' bad preveous character iv th' plaintiff, while," I says, "admittin' th' thruth iv what he said. 'But,' says I, th' on'y book in my libry is th' Bible an' Shakespeare," says I. "They're gr-reat f'r ye," says she. "So bully f'r th' style. D'ye read thim all th' time?" she says. "I niver read thim," says I. "I use thim f'r purposes iv define. I have niver read thim, but I'll niver read annything else till I have read thim," says I. "They sthand between me an' all modhren lithrachoor," says I. "I've built thim up into a kind iv break-wather," I says, "an' I set behind it ca'm an' contint while Hall Caine rages without," says I.

Am I again' all books, says ye? I'm not. If I had money, I'd have all th' good lithrachoor iv th' wur-ruld on me table at this minyit. I might n't read it, but there it'd be so that anny iv my fri'nds c'u'd dhrap in an' help thimselves if they did n't care f'r other stimylants. I have no taste f'r readin', but I won't deny it's a good thing f'r thim that's addicted to it. In modheration, mind me. In modheration, an' afther th' chores is done. F'r, as a fri'nd iv Hogan's says, "Much readin' makes a full man," an' he knew what he was talkin' about. An' do I object to th' pursuit iv lithrachoor? Oh, faith no. As a pursuit 't is fine, but it may be bad f'r anny wan that catches it.

### NO QUORUM.

Meeting of Republican District Committee Monday Night.

The meeting of the Hilo District Republican Committee called by Chairman Ridgway at Fireman's hall last Monday night failed to attract a quorum of politicians. Out of the forty-five District committeemen, only seven were present bringing an extra proxy or so. These faithful waited until an advanced hour then adjourned to meet next Monday night.

The business to be attended to by this committee is very important and next Monday night should find a full working corps on hand. There are numerous vacancies on the committee which must be filled. New officers are to be elected. The quota of representation in each District is to be revised to meet the changes brought about by the formation of the Olaa District.

The present officers of the District committee hold office until their successors are elected at the Primaries the first Saturday in August. On the second Friday in August the new committee will meet and organize for the next two years. Each precinct is entitled to one member on the district committee for every twenty-five votes or fraction thereof cast at the last general election for the Republican Senatorial candidate receiving the highest number of votes. The District committee has charge of all campaign business.
